

Volunteer Opportunities at the Fairport Harbor Lighthouse and Museum

Be a part of the historical experiences enjoyed at the FHHS property.

The Fairport Harbor Historical Society offers volunteer opportunities for people of all talents. Take part in our museum store, be a tour guide, help behind the scenes, or be involved in our special events. Either way, the choices are numerous and there are many friendly members with the same interests and volunteer spirit that brings people back time and again. Choose from the listings below and a FHHS officer will contact you to see where your interests lie and match you with just the right project or volunteer experience.

“Those who can, do. Those who can do more, volunteer! “

Anonymous

I am interested in volunteering my time or talents in the following areas:

- | | |
